

Peak UK Kayaking Co Ltd
Polo Custom PFD template

We require the following information to create your custom design:

1. Main colour or colours of your custom design.
2. Logos* - major & minor. Including approximate sizes, position and colours.
3. Additional text including preferred fonts, colours, and size.
4. Pattern - please include an example (jpeg, photo or sketch) of something similar to what you want re creating. ie a photo off the internet of a Cookie Monster, dripping paint, carbon fibre or Cath Kidston pattern for instance.

A Polo PFD using just the standard colour palette below, is not subject to an artwork setup fee. Custom designed Polo PFDs (names, logos, patterns, colour gradients etc) are subject to an artwork set up charge of between £90-120, dependent on order volume.

Extra info required for Polo Vests:

5. Split colour or striped design.
6. Numbers
7. Number colours
8. Team and player names if required.

It is the customers responsibility to make sure that any logos and images used have the permission of use from the copyright owner. Peak UK reserve the right to refuse to print inappropriate or poor quality artwork. Peak UK cannot guarantee perfect colour matching of fabric, printing or trim of any garments supplied. Variations in colour may occur.

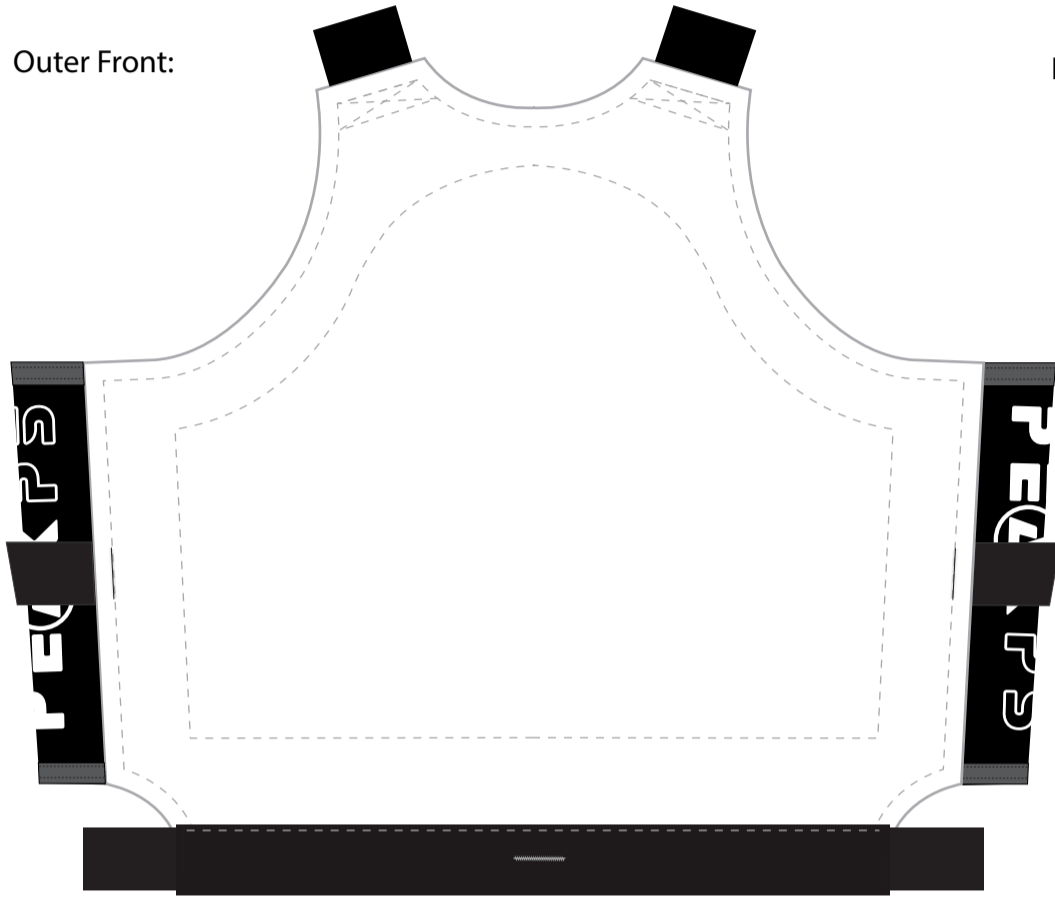

Please Note:

Small variations between artwork proof and final item colour appearance may occur, due to different computer screen resolution set up. Peak UK accept no responsibility for any such variations.

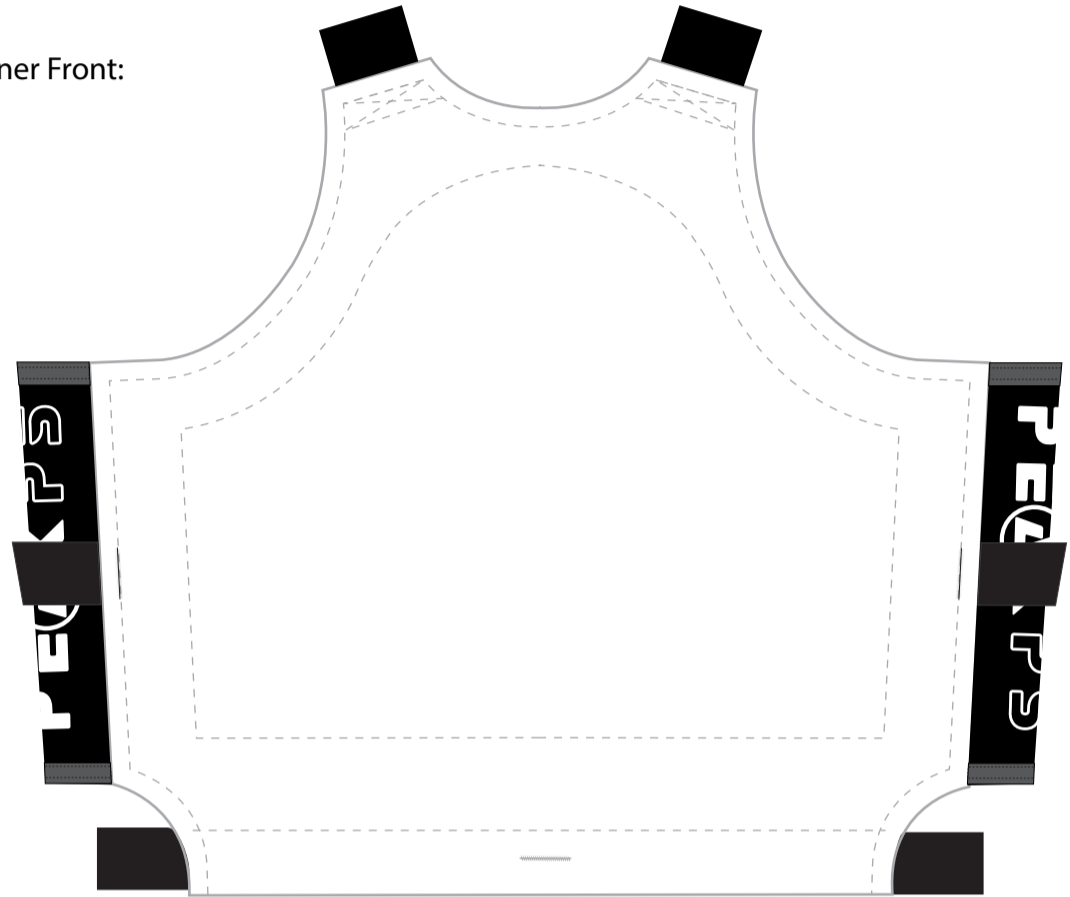

*All logos should be Hi Res .ai .eps .pdf .jpg (in order of preference) The lower res artwork provided, the higher the design cost will be.

----- Keep your design detail within the pfd foam outline.
